

PLANT LEASING & MAINTENANCE

## Terms

Our maintenance service includes but is not limited to: watering, cleaning, pruning, fertilizing, and keeping plants free of plant pest. All plants are guaranteed to remain in a healthy state or be promptly replaced at no additional cost to the customer. Note: Nature Indoors can not be responsible for plant damage for things such as: Theft, breakage, watering by others, fire, smoke, or extreme temperatures (below 50 or above 90 degrees) or plants not accessible to maintenance technician or plants moved to other locations without the prior consent of Nature Indoors.
